

OH, LISTEN TO THE BAND!!

Dimley Productions recently had the pleasure of sitting in Beacon Park, listening to the
Lichfield City Concert Band Summer Concert

On Sunday 26th June they will once more be performing a free concert between 2.00-4.00pm.

It is a bring chairs/blankets/cake/pop and find a space affair.

What a grand respite from the chores and cares that beset us!

Perhaps members would like to gather in the Park, for a lark, informally?

The concert is open to all-comers and is held adjacent to Captain Smith's statue.

Best to be there by 1.30pm to pick your spot or whatever.
